The Limousine

Casons Rent-A-Car recently exhibited a Limousine, Hummer, Merceded Benz E200, Mercedes Benz C200 and Chrysler C300 at the Sunsilk Hair and Beauty Fair. There were many queries regarding the availability of the vehicles to hire out for weddings and some bookings were also made. While the limousine and the Hummer were themost popular among the over 46,000 participants at the fair, the other vehicles were generally admired. Several curious participants were given the opportunity to glimpse the interior of the Limousine and also take photographs of all the vehicles.
