The Summer Collection

Aviraté’s loyal customers were invited for a preview of the summer collection at the flagship store at Maitland Crescent. The Summer Collection consisted of colour block dresses, vibrant printed blouses and soft touch maxis in summer hues.

The customers had a day filled with entertainment where they were pampered by Avirate with treats from their café, manicures by OPI nail bar, a photo station with instant photo printing.

Vouchers from Hotel Pledge 3, OPI nail bar, Barista coffee shop, OSMO gym and ‘Ani & Olive’ salon were given to all attendees.
