Velvet dress in the evening gown range

LIFT Designer Wear introduces its exclusive evening gown range in velvets for the upcoming season. The special cuts with hand embellishments have lent a uniqueness to each outfit. Simplicity of style is maintained in all designs. A limited range is available for customers who are particular about exclusivity this season. A range of party dresses in georgettes and chiffons are also in line for the season. Customers can meet designers for style advise for the exclusive dresses purchased.
