Aitken Spence Hotel Holdings emerged victorious at the National Business Excellence Awards by walking away with the Overall Silver Award, Hospitality Category Gold Award, Large Sector Gold Award and were the Runners Up in the Capacity Builder Category.

The National Business Excellence Awards is an annual award ceremony conducted by the National Chamber of Commerce of Sri Lanka to recognise business enterprises which have demonstrated excellence in business, whilst contributing to the economic progress of the country.

“Aitken Spence Hotels’ enduring efforts in making tourism a sustainable resource is made tangible by winning accolades such as this. Winning four awards at the National Business Excellence Awards attests to the company’s commitment of delivering exceptional sustainable experiences to their guests,” said Tilak Gunawardana, Vice President – Finance of Aitken Spence Hotels.

“We are extremely proud of our achievement. Our team has made sustainability an integral part of our business operations as we recognise that sustainability is the

only way forward. Being recognised for the contribution we make to the economic development of the country, while practicing sustainable business practices reflects on our commitment to corporate accountability and championing sustainable tourism," said Malin Hapugoda, Managing Director of Aitken Spence Hotels.
