Quiz Night at 8° on the lake

Cinnamon Lakeside Colombo hosted its very first “rib tickling” quiz night at the hotel’s unique floating venue – 8° on the lake. The night was filled with an aura of good humour, stimulating questions for all ages and exciting giveaways.

Hosted by the popular comedic icon, Dominic Kellar, the event saw a large gathering of friends and family, young and old, eager to put their minds together to tackle questions ranging from topics like famous forgotten faces to exotic food and drinks. The breathtaking view of Colombo afloat the Beira Lake, combined with good music and a delicious buffet of scrumptious snacks served at the air conditioned lower deck of the floating venue, created a refreshing and unique experience for all.

Cinnamon Lakeside Colombo has been putting together a string of exciting events aboard 8° on the lake which is ideally suited for high profile events, cocktail parties and special occasion celebrations.
