

A nature-led holiday experience at Tree Of Life

Posted on

Tree Of Life Nature Resort in Yahalatenna Kandy offers guests luxurious accommodation in a breathtaking backdrop. An ideal place for guests to relax and rejuvenate, it offers a much sought after typical earth-friendly experience.

Tree Of Life Nature Resort includes four Private Villas, two Suites, two Cottages and 35 Deluxe Rooms. Large baths, cable television, DVD facilities, complimentary in-room tea and coffee throughout the day and mini bar facilities are a few of the services on offer to the guests. The Resort also includes a large spring water swimming pool, an eco park, a children's park, a discotheque, a billiard room and a pool bar. One of the biggest attractions remains to be the resort's very own cricket grounds. Conference facilities too are available.

Hugely popular for offering guests typical Sri Lankan Ayurveda treatment, it is fantastic if you are into bird watching or have an interest in trees and plant life.

Just a few minutes away from the heart of Kandy, the Resort is an excellent location for wedding celebrations and honeymoons with the climate, the environment and the unhurried pace making it irresistible to romance seekers.

Celebrating 15 years of living green, the Tree Of Life Nature Resort looks forward to welcoming the holiday traveller who truly appreciates a nature-led experience.
