Beyond the Kandy city's world renowned sites and flurry of activity, your guarded thoughts on where to find bespoke laps of relaxation, countless immoderation and luxury, can soon be put to rest, in just a matter of minutes. Spilling into view is the region's breathtaking sceneries of incessant green mountain ranges, silvery mists and rolling hills that seem to parade the heavens, which seem dreamy enough. Be prepared to embrace all that beauty from the comfort of Amaara Sky.

With amenities at five star levels, expect to be pleased at this one of a kind boutique hotel. Indulge in any of the twelve distinctively spacious rooms, which range from standard to superior to deluxe and a suite, to a two storied penthouse, equipped with abundantly stocked mini bars, satellite TV, safes, complimentary surprises and more.

Amaara Sky's tribute to honeymooners is the real deal by far. An unmatched welcome within the room; a bed speckled with red rose petals and wild flowers, a bottle of bubbly beside a box of premium chocolates, the pleasure of customised room service while basking in the hypnotising views that lay forth, on the breezy patio of the room's balcony and of course to top it all off, the simple pleasure of privacy.

There's no exception, even as far as the hotel's cuisine goes. Preference of dining in at the restaurant or out on the picturesque terrace is up to you. Whether, you'd like to go Sri Lankan or Continental is also your choice. Be it what may, Amaara Sky gives you just what you need in just the way you would like it.

An à la carte menu carries many gastronomic delights to choose from. Smoked pink salmon to season the appetite with an entrée of hearty stuffed, roast chicken with a mushroom sauce to follow and might I suggest the hotel's signature dessert—the tiramisu mousse. Or treat yourself to a conventional Sri Lankan rice and curry feast and thereafter indulge in a generous helping of fresh curd and treacle or a jaggery pudding; leaving those taste buds wanting more.

Let loose, choose ease and let your heart embrace a feel of home away from home. Let Amaara Sky take the load off, once and for all.
