Amaya Lake won several awards at the Culinary Art Competition 2011. The competition was organised by the Chefs Guild of Sri Lanka.

Built on 22 hectares of natural, dry zone vegetation and overlooking the picturesque Kandalama Lake, Amaya Lake has 106 Sri Lankan villas equipped with all modern facilities scattered amongst the trees. The hotel provides an array of special services outside the scope of traditional weddings and reception functions. There are several venues to choose from and all arrangements can be tailor-made to suit specific needs.
