ATLI Gallery – lifestyle furniture and objects d’art

Posted on

The ATLI Gallery provides a one-stop-shop for all furniture and interior requirements, and includes a range of modern and antique-styled reproduction pieces that are specifically designed to satisfy contemporary market trends, as well as a handpicked selection of objects d’art.

Ready-made and custom-made products are constructed using premium materials from Hettich, Germany, which offers a lifetime guarantee on its hardware and Sayerlack, Italy.

ATLI Gallery specialises in custom-built high-end kitchen cupboards, designing and manufacturing office interiors including furniture, partitions, chairs and fabric sofa sets to customer specifications and requirements. The materials used include wood veneered or melamine laminated MDF with edge banding, PVC foiled and thermoform MDF, solid wood, aluminum and glass.
