Aviraté’s event registry: simplifying the art of gifting

Posted on

Aviraté launched Colombo’s first ever event registry, which will be available at the Aviraté Flagship Store at Maitland Crescent, Dutch Hospital Square, and at Kandy City Centre.

Aviraté’s event registry will certainly simplify the gift buying and giving process for any occasion, be it a birthday, a graduation or even a farewell party.

Consumers could head over to one of the three Aviraté outlets where the registry is placed, pick out favourite Aviraté items from dresses, shoes, bags and other accessories and feed the details of the chosen items into the event registry and tell invitees all about it.

The event registry not only benefits the host but also helps the invitee as this registry has every detail of what the host loves, all available under one roof.
