

Bentley partners with Sen-Saal

Posted on

Bentley, one of the leading hotel equipment manufacturers in the country collaborated with Sen-Saal fast food chain in Sri Lanka, to open Sen-Saal's latest outlet in Havelock Road. The high quality, value for money, state-of-the-art customised designs prompted Sen-Saal to choose Bentley's display equipment. The innovative Bentley products used by Sen-Saal includes a salad bar, muffin and bread display cabinets, bains marie and more.

Bentley products are used in most five-star hotels in Sri Lanka and Maldives. According to Roshan Hettiarachchi, Managing Director - Sen-Saal, Bentley products are reliable given their capability and after sales services. This is the second outlet of Sen-Saal equipped with Bentley products.
