The BIA Shopping Festival was organised by AASL in collaboration with all the shops at the departure lounge of BIA. The primary aim of this festival was to promote the BIA as a preferred shopping destination given the dramatic rise of visitors to Sri Lanka, it was stated. This shopping festival was significant since it was the first shopping event coinciding with the theme “Refreshingly Sri Lanka Visit 2011” organised by Sri Lanka Tourism. It was also noted that AASL plans to have more such seasonal promotions in the future to entice and attract increased numbers of passengers to shop at BIA.
