Blue Ocean Group received eight awards including multiple nominations for special recognition in Corporate Social Responsibility (CSR), Best Condo Architecture Design, Best Affordable Condo Development, and Best Condo Interior Design at the inaugural PropertyGuru Asia Property Awards – Sri Lanka award ceremony held in Colombo.

‘’At the core of our business is our philosophy that revolves around innovating through our own style of quality construction. Excellence is a key word in our approach to the business and this is the reason for the success we have achieved within such a short span of time since our inception. It gives us great pleasure to be recognised with multiple nominations on a prestigious international award platform. It goes on to affirm our unfathomable commitment to excellence,’’ said S Thumilan, Chairman, Blue Ocean Group, commenting on his company’s success at this distinguished award ceremony.
