Cinnamon Hotels & Resorts, has been selected as the official hospitality partner for the Bollywood movie ‘Bombay Velvet’ starring leading artists such as Ranbir Kapoor, Anushka Sharma, Karan Johar, Kay Kay Menon, Vikas Bahl, Vikram Aditya Motwane, Anurag Kashyap and Vivek Aggrawal. The key strategic locations in which the resorts are placed and the high standards of service offered at Cinnamon hotels are the two major considerations in choosing the chain as the hospitality partner.

Cinnamon Grand (with over 500 rooms and 13 restaurants) is the host hotel for all the stars and VIP’s of the Bombay Velvet movie production in Colombo. Chaaya Tranz Hikkaduwa, located on the beautiful beaches of Hikkaduwa with over 150 rooms has been selected as the host hotel in the Galle district.

Commenting on the partnership with Cinnamon Resorts, the Co-Producer Phantom Films, Vivek B Agrawal said, “we are impressed with the quality and service standards of Cinnamon Resorts. The geographical dispersion of the Cinnamon Resorts has also created the accessibility we need in proximity to the selected film locations. More importantly Cinnamon understands the requirement of a Bollywood

film. We urge Indian filmmakers to consider more projects in Sri Lanka.”
