

ck gentle

Vintage and refined, ck gentle is inspired by the geometric lines of the 1960s. A sleek and elegant timepiece with a retro touch, this watch is offered with either a black or silver dial, and features a polished and brushed stainless steel case and bracelet.

Timeless and delicate, ck incentive is a refined timepiece which marks a return to the essentials. This elegant watch has incentive features of an oval case and sharp indexes that give this classic design a retro touch. The watch is offered in ladies size with different genuine leather straps; black with a polished stainless steel case, or brown with a PVD coated gold case.
