

Celebrate it at Spa Ceylon!

Posted on

Spa Ceylon has launched a variety of 'Celebration Packages' for guests to treat their loved ones on special occasions, whether it be to celebrate a promotion, an anniversary, a birthday or a reunion with friends.

The 'Celebration Package' for two or more persons includes cupcakes, organic herbal teas, 15 minutes of extra pampering for each guest and a tropical flower for one.

For those celebrating with a group of four friends, the Spa Ceylon party package consists of 120 minutes of pampering. Guests can expect total privacy, a 90 minute foot, head and shoulder massage and will be served sparkling wine and fresh strawberries with cream or chocolate.

Spa Ceylon's 'Celebration Packages' also accommodate bridal and baby showers, and can be custom designed to suit individual requirements. The 'Celebration Packages' are designed in keeping with the style and concept of the Spa - incorporating contemporary Sri Lankan design with old Ceylon charm.

All 'Celebration Packages' are available both at Spa Ceylon Park Street Mews and at Spa Ceylon Casa Colombo.
