

Children's Day At Hilton Colombo

Posted on

The children observe operational and guest related services of the Hotel

In celebration of Children's Day, the Hilton Colombo organised a familiarisation tour of the Hotel for 140 children from Puwakdeniya Kanishta Vidyalaya, Kegalle. It was the children's first visit to a five star hotel. They were welcomed by the management and were directed to Curry Leaf restaurant for refreshments.

Separated into five groups, the children were escorted by Hilton team members to observe the operational and guest related services of the Hotel. The children were excited and amazed to see kitchens with huge equipment, laundry with massive washing machines and Hilton guest rooms with both ocean and harbour views.
