

Cinnamon Lakeside Colombo's 'Bubbly Brunch On The Lake'

Aboard 8° on the Lake

8° on the Lake at Cinnamon Lakeside Colombo brings you the first brunch on a boat experience with 'Bubbly Brunch on the Lake'.

The lavish brunch buffet features a selection of rice, pasta and salads while the chefs at 8° on the Lake will prepare your favourite meats at the carvery stations and seafood indulgences at the Oyster Bar.

"The bubbly brunch will ensure guests will indulge in an array of fine food delicacies with an exclusive selection of brunch items," said Calvin Stevenson,

Executive Assistant Manager – Cinnamon Lakeside Colombo.

Departing from the hotel premises at half past noon, guests will enjoy the beautiful sights in and around Colombo, relax and unwind to the soft music and linger in the backdrop of a sunny afternoon.

“The brunch will remain an exclusive event with only a limited number of reservations taken to maintain the relaxed ambience of the brunch,” added Stevenson.

The three-hour brunch cruise can be enjoyed with a glass of sparkling wine, a stroll on the deck, while gliding over the waters of the Beira Lake.
