

Club Hotel Dolphin and AVANI Kalutara Resort recognised as Top Hotel Partners for 2014

Club Hotel Dolphin

Schauinsland Reisen, one of the largest Tour Operators in Germany, bestowed Club Hotel Dolphin and AVANI Kalutara Resort with the 'Top Hotel Partner Award 2014'. Serendib Leisure Management, a subsidiary of the diversified Hemas Group of Companies, manages both Club Hotel Dolphin and AVANI Kalutara Resort.

The Top Hotel Partner Award is awarded based on fairness, flexibility and loyalty in business carried out between the hotels and the tour operators and on the positive comments by guests. Out of the 35 hotel partners that Schauinsland Reisen is working with in Sri Lanka, only five hotels have won this award and Serendib Leisure is proud to be the recipient of two of these five awards.

Suranjith de Fonseka, Director (Sales and Marketing) - Serendib Leisure, commenting on the accolade said, "we strive to offer our customers a memorable experience and also maintain a good and fair relationship with all our partners and this accolade affirm our efforts towards achieving this."
