The management & staff of Club Hotel Dolphin with the HolidayCheck Award

Club Hotel Dolphin has been bestowed with the HolidayCheck Award 2012 for being one of the 99 most popular hotels worldwide in the ‘Beach Holiday’ category. A part of the Serendib Leisure Group, it is the only hotel in Sri Lanka to win the HolidayCheck Award and HolidayCheck Top Hotel prize – both of which were awarded at the ITB, the world’s leading travel trade-show which was held earlier in Berlin.

HolidayCheck officials cited “extraordinary performance exceeding guests’ expectations regarding great products and perfect service on a daily basis – an effort that reflects in hotel reviews” as the main criteria for the hotel’s selection. The HolidayCheck Award is awarded to the 99 most popular hotels worldwide. The winners were decided based on over 530,000 genuine reviews received in 2011.

Ranil de Silva, Managing Director – Serendib Leisure, commenting on the accolade

said, “we are extremely delighted to be awarded the HolidayCheck 2012 Award and HolidayCheck Top Hotel prize under the ‘Beach Holiday’ category! Being chosen as a recipient of this award reaffirms the uniqueness of our resort property and our pursuit of excellence in guest relations. This award will ensure that Club Hotel Dolphin becomes the first choice as the best beach holiday destination in the world.”
