Cool Planet opened its latest outlet in the bustling Maharagama town, the retailer's seventh store.

The outlet currently offers the Cool Planet's Spring/Summer 2017 collection, which celebrates Mother Nature's verdant trees with sparkling flowers as well as fruits.

“With a rejuvenated spirit and in anticipation of greater times ahead, the Cool Planet, is proud to offer an array of items to cater to the varied tastes of our loyal customers,” said Rizwi Thaha, CEO.

The Maharagama outlet features collections following international trends for men, women and kids. The spacious two-storied store will see further gradual expansion to guarantee a pleasurable shopping experience, including with ample parking space for customers. Cool Planet Maharagama is definitely worth a visit!
