Festive food offered at the Harpo’s cafes and restaurants

For the holiday season, a range of delicious festive treats are offered at the Bayleaf, Park Street Mews Restaurant, Commons Coffee House, Colombo Fort Café, Harpo’s Pizza & Pasta and Curve Tapas Bar. Succulent roast, traditional Christmas goodies, live entertainment and stylish outdoor catering menus are all a part of it. What’s more, there are menus created exclusively for the season.

The annual charity project of Harpo “Share with a Child” carried out with the objective to support education concluded with a festive party.

“The essence of this season is for everyone to enjoy with thanksgiving. It is also to share our blessings with the needy. We have continued to create an indelible holiday experience with a choice of dining options for a memorable holiday season with friends and family!” said Harpo Gooneratne, MD.
