

Diamond Jubilee of the Beetles celebrated in style at the Mount

The Volkswagen Beetle Owners Club gathered at the Mount Lavinia Hotel

The Volkswagen Beetle Owners Club (VBOC) has held the “Bug drive” of jubilation to commemorate their diamond jubilee in partnership with the Mount Lavinia Hotel. MLH have been in partnership with the VBOC, for the third consecutive year to highlight a car with an international significance and indeed a national day. The day was felicitated with 75 cars that took to the streets and ended the show and shine rally at the Mount Lavinia Hotel courtyard with the celebration at the regency Pavilion. The flag off was headed by Dr Juergen Morhad - Ambassador of the Federal Republic of Germany in Sri Lanka and Patron of the VBOC Kapila Jayawardena.

However the celebration did not end there as Mount Lavinia Hotel kicked started “Herbie goes Bananas at the Mount,” a week-long promotion where an all day banana menu awaited guests. The highlight of the day was the showing off of the ole classics in all ages and colours at the hotel courtyard.
