

Elegant Furniture From Nardi

Posted on

One of the products from
the Nardi collection

Nardi products, manufactured and imported from Italy, are functional and durable with original designs that assure comfort. Sun loungers, outdoor umbrellas, glass and plastic tables, chairs and umbrella bases include the range of products offered by Nardi. The materials used are sturdy and the process of manufacture is environment friendly. While conforming to safety standards, the fabrics and other parts of the products are replaceable.

Creative experimentation, robustness, elegance and practicality are at the base of all of Nardi's collections, which offer different chromatic shapes and combinations that meet the most demanding tastes. Partnered with the Sri Lankan company World of Outdoor, an outdoor solutions company under Rainco, Nardi products are supplied to leading hotel chains.
