

Elephant Reach for a truly wild experience

Posted on

Elephant Reach, Yala

Elephant Reach is located within close proximity to one of Asia's most sought after wildlife reserves—Yala. As such night safari, water safari, and spiritual tours can be arranged at your convenience from the hotel.

Each of the chalets and rooms are equipped with air conditioning, 20 inch TVs, DVD players, hairdryers, tea and coffee making facilities and spacious baths with hot and cold water.

The delicious food, which is made to suit your taste buds is a great attraction to guests from all over the world who visit Elephant Reach.

You can enjoy the evening with soft music, relax by the swimming pool or play a friendly game of pool. With a children's playing area, Elephant Reach Hotel – Yala ensures that your child will also have as much fun as you do.

Elephant Reach offers many seasonal packages targeting the Leopard watching

season in May, Sloth bear watching season in June/July, and many other attractive packages to keep up with the seasonal demands. Here at the hotel, cycle tours can be arranged within the area as well. Cart rides, fishing, visits to chena cultivations and many other excursions can be tailor made to suit your desire.
