Festive dessert at Harpo's Cafés and Restaurants

The theme for Harpo's Cafés and Restaurants this festive season is based on traditional festive food and exciting beverages. The festive programme at The Bayleaf, Park Street Mews, Curve Tapas Bar, Colombo Fort Café and the Commons was launched at the beginning of December.

Among the festive specialities lined up at Harpo's cafes and restaurants, the Bayleaf will unveil its festive goodies from December 20-30, with a range of festive roast and popular Christmas delights. A Christmas menu will be available from December 24-30. The Park Street Mews will have seasonal specials from December 10-31, with a Christmas-eve dinner, Christmas lunch and dinner and a champagne dinner to usher in the New Year. The Colombo Fort Café will also serve an exciting range of festive food from December 10-30. A choice of seasonal coffees, a special turkey menu, Christmas goodies and children's competitions are on at the Commons. Harpo's Pizza is offering the largest wood fired Festive Turkey Pizza with 16 sumptuous slices topped with festive roast turkey and cranberry sauce.
