

Exquisitely designed pieces of the designer wear collection

Adapting the globally emerging trend of dual purpose jewellery, Vogue Jewellers launched a new array of exclusive designer wear jewellery.

The new collection consists elaborate designs in Diamonds, Pearls, Mother of Pearl, Ceylon Sapphires, Rubies, Emeralds and Garnets.

Demonstrating the fine pieces of jewellery, Anura Hemachandra, Managing Director explained how some of these pendants, rings and brooches could be worn selectively depending on the requirement or occasion.

Vogue also custom designs jewellery according to the customers choice, personality and budget.
