Minister of Transport, Highways and Mass Media Dr. Bandula Gunawardana with wife Thamara and Thusitha Wijayasena, Chairman of KCC with wife Swarna Wijayasena.

A special screening of Hollywood's latest release, Avatar - The Way of Water, took place at KCC Multiplex parallel to its global release.

KCC Multiplex held the pride of not only showcasing this film in 3D and HFR (High Frame Rate) but also through LASER projection. They are the first and currently only cinema multiplex in the country to be show- casing this film in this format using LASER projection.

Minister of Transport, Highways and Mass Media Dr. Bandula Gunawardana and Thamara Gunawardana, State Minister of Investment Promotion Dilum Amunugama, Thusitha Wijayasena, Chairman of KCC and Swarna Wijayasena, leading local film directors and producers, media personalities and top corporates were present at this exclusive evening.

Moviegoers can purchase tickets well in advance via kccmultiplex.lk to avoid disappointments, as showtimes sell out daily.
