ART

Of Leaves, Feathers and Fins

September 1 - October 31, 2025
 Quiet intricacies of the natural world, its patterns, textures and transience unfold here in drawings, paintings, and Grotaku prints. They invite us to look closely at the veining of a leaf, a feather's structure, or the fin's imprint. More than representations, these works are meditations on attention asking us to pause, notice, and find stillness within the rhythms of the living world. An exhibition by Lester Perera, curated by Sadev Watachchi.
