Expo Rail, travel with state-of-the-art comforts

Posted on

Ever since its inception in October 2011, Expo Rail has been on a journey propelled by hard work, efficiency and great customer service to redefinine rail travel service in
Sri Lanka.

With four key destinations to its portfolio such as Kandy, Trincomalee, Vavuniya and Badulla – Expo Rail has to date transported a total of over 85,000 passengers across Sri Lanka in its luxury compartments.

Expo Rail extends its services to many popular destinations which include; Kandy, Peradeniya, Polgahawela, Kurunegala, Anuradhapura, Vavuniya, Nawalapitipya, Hatton, Haputhale, Bandarawela, Nanu Oya, Demodara, Pattipola, Ella, Badulla, Habarana, Gal Oya and Trincomalee among the 60 major cities and towns it covers.

Equipped with state-of-the-art facilities including reclining seats for spacious comfort and relaxation and LED Televisions, the fully air conditioned carriages are of the most up-to-date modes of trail transportation in the country today. The meals served on board add a new dimension to ‘rail cuisine’ and other facilities include spacious overhead compartments, clean wash rooms with a dedicated cabin crew offering each traveller a personalised service.
