Galadari Hotel’s Coffee shop, revamped and rejuvenated

Revitalised and renewed, the Galadari Hotel’s Coffee Shop has been given a whole new look. With a plush, new ambience the Coffee Shop is set to offer guests an exotic variety of dishes around the clock. Bright and airy, this dining room offers a relaxing and casual atmosphere offering daily buffets for breakfast and lunch including an international a là carte menu.

The Coffee Shop also features a different theme for every night of the week. While Saturdays and Sundays feature an international theme, Mondays bring out dishes such as Dim Sum, Kung pao chicken and Szechuan hot garlic prawns in keeping with the Chinese theme. On Tuesdays, the buffet offers up dishes from Europe and Wednesdays feature the varied flavours of Sri Lanka, India, Pakistan and Nepal to reflect the Asian theme. Seafood enthusiasts will enjoy Thursday’s Seafood theme and Fridays will take diners on a gastronomic journey to the Far East.
