Colombo Municipal Council awarded Galadari with a Grade ‘A’ Certification for excellence in cleanliness and food hygiene. The hotel was assessed against environmental health standards in food preparation and all aspects of cooking and cleaning. The Certificate was awarded in recognition of excellent standards achieved in food quality, hygiene and food safety management based on the principles of the Public Health Department.

“This is a fantastic achievement, and I am really proud of the team. This is an excellent depiction of profes- sionalism and pride they take in all aspects of their work,” added Ananda Warakawa, Director F&B, Galadari Hotel.
