

The Galle Face Wedding - memories that come to life

Grand Ballroom

Galle Face Hotel brings to you 'The Galle Face Wedding', creating a luxury wedding experience and an ultimate wedding planning experience - Wedding Salon. The management, especially Tony Fleming - General Manager and Carlos S Vizan - Director of Operations, initially developed the plan and will commence from March 1, 2015.

Thakshila Galappaththy, Director Banquets said that they are in the process of gathering bookings for the future. Two wedding packages have been introduced, namely 'Jubilee Package' and 'Imperial Package'. As per the feature the Wedding Salon, a conversation room to plan a wedding with a screen to display images and a studio room for photographers, are new resources that could be experienced. Furthermore the hotel has floral designers, photographers to beauty experts, as well as a dedicated Wedding Concierge to tie up any loose ends of the event at Galle Face Hotel. The menu selection is of great variety and Galle Face Hotel offers the expertise of specialised experts to make the wedding day memorable.
