This December, Glassé, Colombo's transitional lounge bar will launch a number of exciting thematic promotions. Wednesday's will be dubbed 'Inequality of sexes' where groups of four or more girls will receive a 40 percent discount on all cocktails and shots, including a complimentary Dragon Maki. 'Acoustic Thursdays' at Glassé will also feature special food promotions run in partnership with Shout.lk. Saturday's will feature special RnB and Retro nights while Soulful Sundays at Glassé will offer patrons a buy one, get one free deal on beer and selected cocktails from 5.30 pm to 8.30 pm.

On top of this extensive set of promotions, Glassé Hours will run as usual from 6.30pm to 8.30pm everyday, which offers one pitcher and one maki platter.

To round off the month, Glassé will introduce 'Deep House Sundays', which will be held on the last Sunday of every month. In December, Deep House Sundays will feature Muku and Rev.

Glassé, while boasting an eclectic selection of cocktails, also has a new-age Japanese inspired menu, compiled by its Nobu trained Chef de Cuisine.
