Green Paradise Hosts The First Ever Inter Hotel Swimming Competition At CTHA Sports Fest

Posted on

Green Paradise, Dambulla hosted the first ever Inter Hotel Swimming Competition—a new addition to the Annual Inter-Hotel Sports Festival organised by the Cultural Triangle Hotelier's Association of Sri Lanka (CTHA). This initiative made Green Paradise the first hotel to introduce and host such an event amongst hotels located within the Cultural Triangle of Sri Lanka.

This CTHA Sports Festival 2014 brought together employees from more than 20 hotels. Susantha Bandara, Resident Manager of Green Paradise Resort chaired the organising committee of the inaugural swimming competition. Commenting on the venture he said, "we are very happy to have had Green Paradise at the forefront of this year's event. The hotel is equipped with an extensive 33m swimming pool, which was ideal to host a swimming competition of this magnitude. We would like to encourage the CTHA to continue to hold this annual event in its splendour."

The Annual CTHA Sports Festival is aimed at fostering relationships and camaraderie among hotels located within the cultural triangle, whilst inspiring and motivating its employees.
