

Harley Davidson Owners' Group (H.O.G.®) visits MLH

The chapter and their bikes with Chef Publis

110 years of the best motorcycles visited MLH for a reunion of the HOG Dubai Chapter. The team visiting MLH included members from the HOG Chapters of England, Sweden, Lebanon, Zimbabwe, Germany, Mexico, USA and France. This 30-year-old club worldwide takes pride in their motorcycles and Mount Lavinia Hotel was their last pit stop on a country wide expedition. There are over 1,400 official HOG chapters around the world and their chapter activities range from tours across the country, benefit events, rallies and many more. MLH was honoured to have the chapter spend the day, which included a heritage tour and as one member stated, “meeting Chef Publis was indeed a memorable moment for me along with meeting friends of the HOG of Sri Lanka and others.”
