Festive food offered at Harpo’s Cafés & Restaurants

The Bayleaf, Park Street Mews and Commons Coffee House are offering a range of catering menus for the festive season. They will include traditional festive fare, western and eastern cuisine and BBQ themes, and will be available from November 1. Patrons can also compile their own menu by selecting from the multiple choice of items that are available.

Harpo’s Pizza offers the first Pizza Roaming Truck to drive out to seasonal events with a choice of 30 pizza flavours including the ever popular Cone Pizzas. Enjoy fresh home-made pasta for the season with the Pasta Cart. For some local fare, the sought-after Commons Rotti Cart offers roti with a choice of fillings.

For those who wish to enjoy special festive goodies at home with family and friends, orders can be placed at any one of their restaurants from the beginning of December. Customers can choose from roast turkey or pork, mince pies, party desserts, Christmas cake, Yule Log or other festive feasts.
