

Hertz Opens A New City Office At Galadari

Distinguished guests opening the new office

With the opening of their new city office at the Galadari Hotel, Hertz is giving its customers a convenient location in the heart of the city. With the growth of the Leisure industry in Sri Lanka, Andrew The Car Rental Company – the licensee for Hertz Global is continually looking to expand further with opening up offices in new locations in the future.

The city office was opened by Lakshman Yapa Abeywardena, Deputy Economic Development Minister and the ceremony was attended by many distinguished guests. The opening was done with the lighting of the traditional oil lamp by the distinguished guests, followed by a chance for the guests to mingle, enjoying the friendly atmosphere.
