One of the Signature Cakes

For their 25th Anniversary celebration Hilton introduced three signature cakes created by Hilton Colombo's Pastry Chefs.

The first, ''Lotus Bloom Cake'' was inspired by the hotel's logo at its inception, a lotus flower, said Chef K A Sujanthi. The cake is layered with blue berries, whipped cream and cream cheese.

The second, "Passionate" created by Pastry Chef M M Dissanayake, is designed as a

Vesak lantern and is made from Italian meringue, passion fruit puree, vanilla sponge, whipped cream and white chocolate.

The third, “Chocolate Fantasy” created by Pastry Chef S G S Somarathna, keeps away from tradition, blending the taste of chocolate butter cake, rich dark chocolate and white chocolate with hazelnut and nougat.
