Irrakkandi to Kokkilai

Posted on

The first things that come to your mind when someone says ‘lets visit Trincomalee’ are the sandy beaches, the Koneswaram temple, Fort Federick and the largest natural harbour in Sri Lanka. However, if you step off the tourist trail and explore this diverse district you would find that there is much more than what meets the eye. Udeshi Amarasinghe journeys along the coastal belt from Irrakkandi to Kokkilai to experience the unsung beauty of Trincomalee.
