

Jacqueline sports jewellery from the Otara collection

Former beauty queen, top model and Bollywood star, Jacqueline Fernandez was spotted recently wearing a stunning necklace, earrings and bracelet from the "Otara" Jewellery Collection - Sri Lanka's first 'celebrity' jewellery collection crafted by Colombo Jewellery Stores. The "Kaleidoscope" collection sported by Jacqueline features precious gems in signature 'O' styling. The current face of the Colombo Jewellery Stores advertising campaign for the 'Quite Simply Stunning' collection, Jacqueline loves to add a touch of glamour and sparkle to her wardrobe. And what better way for a fashion forward woman to dazzle whilst basking in timeless yet contemporary jewellery by Colombo Jewellery Stores which was designed by Otara Gunawardena.
