Jaffna Heritage Hotel for a true taste of Jaffna

Posted on

Adorned with a rich local heritage, embellished with a subtle hint of Colonial splendour, the Jaffna Heritage Hotel is a boutique hotel in the heart of the historic city. The hotel, ideally placed a few yards away from the Nallur Kandasamy Kovil and in close proximity to the business town, is the perfect place for worshippers, tourists and business travellers who wish to experience the true taste of Jaffna.

Each of the 10 rooms of this boutique hotel is complete with all necessary amenities including air conditioning, high speed internet and a whole host of others. Simplicity and charm being the theme, the Jaffna Heritage Hotel aspires to make guests feel right at home with the pleasures of a luxurious stay.

The exclusively vegetarian hotel offers guests a wide array of mouth watering vegetarian dishes prepared with some of the secret traditional recipes. A shrine room too is available for guests who wish to engage in religious activity during their stay.
