Jetwing Vil Uyana is the only Sri Lankan resort listed in A Luxury Travel Blog's compilation of Asia's Most Romantic Resorts.

Jetwing Vil Uyana joins an elite list, with other properties such as W Retreat and Spa (Maldives), Trisara (Phuket, Thailand), Six Senses Ninh Van Bay (Vietnam), and others. Renowned luxury travel and food blogger Chinmoy Lad, the author of the list, had the following to say about Jetwing Vil Uyana:

"What I love: In the shadows of a 2,000 year old rock fortress sits a man-made wonder that has perfected a balance of living between mankind and nature. The man-made wetlands are host to this unique resort that houses stilted thatched-huts above its green wetlands, with the region displaying a stunning wealth of biodiversity."

Such a strong statement and direction have enabled Jetwing Hotels to imagine, create and manage marvels and masterpieces, where distinctive design and elegant comfort complement each other and the environment. Considered a priority, sustainable and responsible practice is implemented through Jetwing Eternal Earth Programme; with energy

efficiency, community upliftment, and education of earth saving measures to schoolchildren being a few tenets of the Programme.
