The newly opened section

KAMA Colombo relaunched its premises along with a brand new section, as another way to provide exciting entertainment to its guests.

The newly opened section consists of an elegant dance floor and an impressive pub, which will provide more entertainment opportunities for guests. The dance floor with the multi coloured laser light system adds an exciting edge to KAMA Colombo, making it 'THE' place to be for excitement and fun.

With an attractive restaurant, night club and a lounge, KAMA Colombo has been entertaining guests by creating an atmosphere that evokes excitement.

A variety of new age music and a range of cocktails gives guests a whole new and unique experience that can be found nowhere else in the city.
