The Kiddies Campers surround Auntie Sulochana, who brings a lot of fun with her puppet show

There are few things as exciting to children as Christmas - a holiday that brings with it surprises, gifts, goodies, carols and best of all Santa Clause. Cinnamon Lakeside Colombo embraced the essence of the season in all its glory at its festive edition of the Kiddies' Camp.

Kiddies' Camp was initiated a year ago by Cinnamon Lakeside to provide children with a productive way to spend their time. At this year's camp too the little campers got a chance to come out of their shells to discover new talents and to cultivate existing ones. Among many activities, Auntie Sulochana's Puppet show, Santa Clauses' arrival, Christmas card making and the Kinder singers show were the most enjoyed. Kids at the camp also enjoyed the famous Christmas goodies of Cinnamon Lakeside, a treat from Kinder Joy and a lucky camper walked away with a Tomahawk bicycle.
