KidzKraft opened two new outlets at Stratford Avenue and Pelawatte. The latest stores of the children's toy producer houses a variety of the brand's wooden educational toys. While providing an element of fun, the toys also help children learn and develop.

Amongst the assortment of educational toys, made specially for one to six-year-olds, are alphabet picture boards, puzzles with and without knobs, number picture boards and life cycle puzzles. Other items include book ends, furniture, height charts, peg racks, pencil boxes, tool boxes and wall hangers. KidzKraft also offers Montessori teaching aids. Additionally, the store takes special orders to manufacture wooden furniture.

Since its inception in 2007, KidzKraft has been producing wooden toys and furniture for children that adhere with international standards. All materials used in the production of these items are child-friendly.
