

Ladies' work-wear collection from CLOSET exclusively at ODEL

CLOSET

CLOSET is the new ladies' work-wear collection available at all ODEL outlets.

The company stated that the range is a fashion-forward and sophisticated line of clothing for progressive working ladies. Featuring detailed tailoring and contemporary silhouettes in refined tones of nude, monochrome and vibrant bursts of colour, CLOSET showcases diverse ladies' work-wear ranging from dresses, tops, high-waist skirts, cropped pants and blazers tailored to perfection with meticulous attention to detail.

The versatility of the new collection lies in the fact that the pieces can be mixed and matched to create numerous statement looks. CLOSET redefines 'business chic' with staple business pieces that represent fashion forward looks, which meets the needs of today's professional and effortlessly chic woman.

With priority given to the aspects of cut and comfort, the hand-picked fabrics that are included and featured in the collection include crepe, chiffon, ponte and stretch cotton.
