Lanka Sportsreizin (LSR) has two projects in development at the Passekudah Resort area, projected to be completed in mid 2013 with a total of 76 rooms and a range of water spots activities and facilities.

The water sports offered by LSR at Passekudah will include scuba diving, water skiing, canoeing, rafting, sailing, boat cruises, jet scooter rides, speed boat rides, tube rides, banana boat rides, deep sea fishing and more.

“There will also be 50 luxury chalets and these will certainly add colour to the Passekudah Resort because of the water sports” said D K R Dharmapala, Chief Executive Officer – Lanka Sportsreizin.

He further mentioned that Sri Lankan Airlines has appointed Lanka Sportsreizin as their sole agents for the Airlines’ layovers. “We have our own fleet consisting of all types of vehicles with an employment force of around 150 members,” said Dharmapala.

He further added that, “we offer 24 hour services at the airport and emergency facility, just 10 minutes away, with all types of vehicles.”
