Lassana Flora Blossoms With A Fresh New Look

Posted on

Lassana Flora has refreshed its look with a more vibrant yet sophisticated outlook to cater to every customer's need as the next step to enhance their brand position and meet the challenges of the future. Creativity, professionalism and freshness – signifying their staff, customers and suppliers, will be their credo – all magnified through the vivacious colours and flower symbols, whilst the company strives to

‘Beautify significant moments in your life.’

Amongst the many services that have been planned for the months ahead, in addition to offering exquisite flower arrangements, the Company has expanded into other services, which include providing cake structures, wedding cakes and wedding cards and even gift deliveries such as chocolates, cakes and soft toys to name a few.
