Casons Travels purchased Sri Lanka’s first limousine, making it possible for incoming tourists and investors or anyone else to rent it out. Casons believes that providing a hassle-free transport system to the visitors will help in substantially promoting the country’s infrastructure development.Casons vehicles are on time, reliable and hassle-free. They also provide well-trained and experienced chauffers. In case of a breakdown, Casons will provide a substitute to anywhere in the island during 24 hours of the day.
